

Happy Belated Thanksgiving!

A quick update for the **Boys Winter Invitational** in Louisville, KY, on December 12-14.

HOTELS

Everyone is assigned a hotel room. Please review the file to verify that your roommate request and your travel partner's requests are correct. We are waiting for Confirmation Numbers. When we have confirmation numbers, we will upload all the information into Volleysign.

PARKING

Parking at the hotel is not covered. There are 85 parking passes available for the EXPO.

FOOD

The Per Diem rate is \$20.00 per day. It is O.K. to bring in food, just don't bring in a rolling cooler! Discretion is key to avoiding the Expo Center staff from saying anything. Currently, I am not sure how we will get you the \$20 per day Per Diem. The last resort is to include it in your pay.

VOLLEYSIGN

Your AAU Membership number needs to be in Volleysign before we can assign you any matches. AAU is allowing Volleysign to verify AAU membership numbers. Over the next few days, log into Volleysign and update your profile so you are ready to receive information.

RQ+

Payroll will be handled via RQ+ with Str8dn Sports. No checks will be written. No exceptions. If you have not received an email asking you to register with Str8dn Sports, please let us know immediately.

COMMUNICATION

Email through joseph@jposportsllc.com is the preferred. We do not monitor the AES Head Referee email account. Because we are still working to get volleysign fully functional, please do not communicate to us through Volleysign.
